LAKEWOOD HIGH SCHOOL MARCHING BAND

Lakewood Marching Festival Thank You!

What an incredible day! On behalf of the Lakewood Performing Arts Council, a massive thank you to all of our amazing volunteers who made the Lakewood Marching Festival a resounding success!

Thanks to your dedication, 22 marching bands took the field and shared unforgettable performances with thousands of cheering spectators. From setting up in the dark the night before to guiding bands, directing parking, managing tents, keeping the stands clean, and running behind-the-scenes operations—you made it all happen. We truly could not have done it without your time, energy, and enthusiasm!

A very special shoutout to our Lakewood Marching Festival Coordinator, Jolene Trujillo. Her leadership ensured every detail went off without a hitch. We are so grateful for everything she did to lead the way!

Your hard work directly impacts our students: the funds raised during this event support a major portion of the LPAC annual budget, directly benefiting the overall instrumental music program at Lakewood High School and keeping our award-winning Orchestra and Band Programs thriving.

Thank you again for bringing your passion and support to our school and community!

State Finals Info

For State Competition at the Air Force Academy, all visitors/spectators must fill out this pre-approval form.

This is required for anyone 18 and older who will be attending state. If you do not fill this out and get approval, you will not be allowed onto the base for the show. **Access to the base does require a Real ID.**

Please help spread the word to friends and family planning to attend and share the link with them so that they can get approved ahead of time - it does take some time to get approved.

Don't wait! You can submit the form now and save the text. Students in the band will need to have their student ID's, but do not need to fill out the form.
